

Disclaimer

The following disclaimer applies to Earthood's validation and verification activities, as well as its impartiality management policies. By engaging in any such activities, all parties acknowledge and accept the terms outlined below.

1. Earthood does not provide any consultancy for the same claim from same client for which it offers third-party validation/ verification services.
2. Earthood does not state or imply that validation and/or verification for a GHG offset project would be simpler, easier, faster or less expensive if a specified consultancy/financing organization is used.
3. Earthood's activities are not marketed or offered as linked with the activities of any organization that provides consultancy.
4. Any claims made by individuals, organizations, or other entities suggesting that Earthood's services are connected to or influenced by consultancy or financing organizations are false and not endorsed by Earthood.
5. Earthood disclaims all responsibility for any claims that are inconsistent with the principles outlined herein. Any such claims should be reported directly to Earthood.
6. Earthood reserves the right to take appropriate actions, including legal recourse, against any parties making such misleading claims.
